Placing Orders

If you are a first-time customer, please call us (203) 712.0444 send us an email inquiry at sales@ctcoconut.com. We will then contact you to discuss your needs and the products we have to offer.

Step 1: We set up an account for your company. This step requires you to complete a Credit Application and return it to our company.

Step 2: Once your account is established, you may submit a Purchase Order.

Your Purchase Orders should include at minimum:

- Company Name
- Company Contact Person
- Contact's Phone Number and Email Address
- Ship To Address
- Bill To Address
- Product Name, packaging type and Quantity Ordered
- Who will Arrange Freight
- Requirement Date

Sales order and purchase orders may be submitted to orders@ctcoconut.com

Step 3: Once your down payment and PO have been received and confirmed we will provide you with an Invoice or Proforma Invoice along with freight/shipping and delivery details.

Lead Time: We require a minimum of 24 hours to process your order before releasing a confirmation email. For non-contract orders, lead time is 6 to 8 weeks depending on order size. For special orders/requirements, please provide as much lead time as possible.

For quantities less than a truckload, we can service our customers through our warehouses in North America. For larger orders, we can ship direct container loads from the processing facility to our customers worldwide.

Payment Terms: All orders require a down payment and balance will be due as posted on your Invoice or Proforma Invoice. Your payment of the balance will be determined by your credit application results.

Note: Due to the nature of our business and products and the volatility of this market, we provide all our customers (food manufacturers, beverage manufacturers, confectionaries, pharmaceutical manufacturers and animal feed manufacturers) organic and conventional coconut ingredients on a Pre-Order Basis Only.

Other Information

Manufacturer & Product Certifications

All of our coconut products are proudly made in the Philippines—A natural haven for coconut trees. To assure you of the quality of our coconut products, our manufacturing sources and facilities are certified by international regulatory standards such as:

World-Class Quality and Consistency

For unmatched quality and consistency in coconut ingredients, look to Connecticut Coconut Company. From Virgin Coconut Oil to Coconut Flour, Desiccated Coconut, Coconut Butter to Coconut Milk and Coconut Cream, our portfolio includes first-rate ingredients formulated for excellence as ingredients in food and beverage production or for repackaging.

Traceability

We are able to trace our products, both backwards and forwards, which allows single pallets to be traced from the farm all the way to the customer. Each pallet is individually numbered, as well as our individual packagings are marked with product’s article number and lot numbers. If necessary, we can trace all our deliveries and recall a product.
